

INCOME TAX PREPARATION RESOURCES

(FOR FILING FORM 8843 OR INCOME EARNED IN 2025)

TAX FILING DEADLINE/POSTMARKED - IN MAIL BY: WEDNESDAY, APRIL 15, 2026

1

REVIEW ANNUAL INCOME TAX FILING RESOURCES ON THE ISSS WEBSITE.

Instructions, term definitions, links to Sprintax>Returns software, tax documents available in Sprintax-Calculus, links to tax-related sites: list of countries with tax treaties, tax forms, and income tax completion resources for Residents-for-Tax-Purposes. Visit:

2

GATHER YOUR TAX DOCUMENTS, ACCESS YOUR US TRAVEL HISTORY (I-94), PASSPORT, I-20/DS-2019, AND SOCIAL SECURITY NUMBER.

IMPORTANT: Did not earn US income in 2025? You need only to file Form 8843: irs.gov/pub/irs-pdf/f8843.pdf, you do not need to file income tax returns and do not need to utilize Sprintax>Returns software. Simply complete the form and mail.

You may receive multiple types of tax statements depending on your particular income and circumstances. If you had multiple employers during the year, you will be receiving tax statements from each employer. You need to complete a State return for each state in which you were employed in 2025. These documents will be needed when completing your return(s) in Sprintax>Returns.

3

DETERMINE IF YOU ARE ELIGIBLE FOR TAX EXEMPTION IN SPRINTAX CALCULUS BEFORE COMPLETING YOUR RETURNS.

International students are subject to a 14% federal and 3.75% state withholding rate on the taxable portion of the scholarship/fellowship/grant and income. Taxation may be avoided if the student's country of residence has a tax treaty with the U.S which exempts their income from taxation. Students who claim that part or all of the income is exempt from taxation because of a tax treaty must enter their specific data pertaining their immigration and tax status into Brown's computerized database, [Sprintax Calculus](#) to receive their tax treaty analysis.

4

Appointment Guidelines

- Please do not call the firm requesting immediate attention or same day appointments. Devine & Assoc. is a full service private accounting firm and reserves specific dates & times for Brown-contracted appointments.
- Plan ahead! Submit your registration form in advance to allow the firm processing time to schedule your appointment.
- Be prepared for your appointment - have your tax documents in hand, be specific on what needs clarification, make the most of your appointment time by doing all pre-work possible.
- **Students and scholars are restricted to one appointment per person.** See resources for private tax consultations when in need of a higher level of support (private consultation fees apply).
- **Appointments conclude on Saturday, April 11th** - all appointments will be scheduled in advance. **Plan to file extensions if you have unresolved questions related to filing your returns.**
- These mini-consultations support tax filers who are required to complete tax form 1040NR and/or filers whose tax residency status changed within the 2025 tax year. **For individuals, determined to be Residents for Tax Purposes by Sprintax>Returns**, utilize tax filing software resources: TurboTax, H&R Block, or VITA Services rather than scheduling these consults.

6

WHEN SPRINTAX-RETURNS DETERMINES THAT YOU ARE A RESIDENT FOR TAX PURPOSES

- Sprintax>Returns cannot process your return, this software supports only non-resident returns. Residents for tax purposes use the same forms and mailing addresses as U.S. citizens.
- File your tax returns the same way U.S. citizens do using **Federal 1040:**
 - TurboTax - turbotax.intuit.com
 - H&R Block - hrblock.com
 - VITA Services - irs.treasury.gov/freetaxprep/
